

BROOKLANDS BUZZ

June 2017

Numeracy Groups

There have been some exciting developments in Maths this term.

This group has been working towards accreditation for the Woodland Trust Green Schools Award and doing all their Maths lessons outside.

Communication

This little group has been working really well together.

Here they are discussing people – how they look and the things that they do.

Oak Class

As part of their Science and Geography work, Oak had a countryside walk and picnic. They visited the countryside in Winter, and returned in Summer to see how it had changed

Willow PE and Community Visit

Willow are going bowling each week as part of their PE provision. They are having a great time, but I am not sure who are the most competitive – the pupils or the staff!

Lunchtime Clubs

We are slowly rolling out a programme of lunchtime clubs. They are proving to be very popular with our pupils. Above is just a sample of the fun that is on offer... Bike Club, Lego Club, Post 16 Chill Out and Sensory Club
